Hi Stan

I was out of the office today and I am just getting to your message.

I am available any time on Friday for a call. I could also do 9 am tomorrow.

Thanks

Doug

Hi Doug,

With the recent information provided by the Navy, Paul and I would like to know if you are available for a brief conference call before the end of the week? I am available tomorrow morning 9am or 11am or anytime Friday. It should only take maybe 10-15 minutes. Thank you.

Stan Carey, Superintendent
Massapequa Water District
